## More than financial security

Insurance is about more than money. We want to help employees and their families to live their healthiest lives, and to be there to support them when they need us most.

So all of our support services are provided at **no additional cost**, with every policy.

## Smart Health

Our Smart Health<sup>1</sup> services are available to your clients, insured employees, their partners and children up to age 21. Giving them unlimited access at no extra cost to:

**24/7 access** to GP consultations via phone or video call

**Mental health support** and counselling from qualified psychologists

A **second opinion service** with access to global medical specialists

Fitness plans

Nutrition advice

Online health checks

**Health and wellbeing.  
All under one roof.**

## Probate and bereavement support

Smart Health's confidential probate helpline supports employees and their families with the legal, financial and administrative processes that follow a death.

**Their bereavement support is there to help families cope with the loss of a loved one.**

## Winston's Wish

We're proud to work with leading UK charity Winston's Wish. They provide bereaved children with the specialist help they need when coping with grief.

**We're

<sup>1</sup>Smart Health is provided to AIG Life Limited customers by Teladoc Health. We want to let you know that these services are non-contractual, which means they don't form part of the insurance contract with us. If our partnership with Teladoc Health ends, these services could be changed or withdrawn in the future.

Winston's Wish is a national charity that is accessible to anyone regardless of an insurance policy. The service is available even if a policy ends.
