2.2 We'll calculate the Premium in respect of each Accounting Period on the basis of the information You provide to Us and the Premium Rates.

2.3 We'll ask You for details of the Member as at the Policy Start Date and You must provide Us with this information within 14 days of Our request. We require the following details:

- a) name

You must ensure that the data You give Us accurately reflects any salary basis or limitations (including increases to salary and Benefit provided during periods of temporary absence) that You've agreed with Us or apply to Your Scheme. The duty of fair presentation of risk applies to the provision of the data to Us.

2.4 If We don't receive complete data within 14 days of our request We'll request payment based on the estimated annual premium in the Quotation. For annual payment policies that pay Premiums by bank transfer We'll issue an invoice for the estimated annual premium and payment must be made within 14 days. For annual payment policies that pay Premiums by direct debit We'll request a payment for the estimated annual premium.

For quarterly payment policies that pay Premiums by direct debit We'll request a payment for 25% of the estimated annual premium.

For monthly payment policies that pay Premiums by direct debit We'll request a payment for 1/12th of the estimated annual premium.

The duty of fair presentation of risk applies to provision of the data to Us.

2.6 For Policies where the Premium is paid by bank transfer, the terms and conditions of payment are set out in Clauses 2.7 – 2.16. For Policies where the Premium is paid by direct debit, the terms and conditions of payment are set out in Clauses 2.17 – 2.25.

Policies where the Premium is paid by bank transfer

2.7 The Deposit Premium payable in respect of the first Accounting Period will be the amount set out in the Quotation. We'll issue an invoice to You and it will be payable by bank transfer within 14 days of the date on which the invoice was issued.

2.8 We'll then use the information given to Us pursuant to Clause 2.3 to check against the calculation of the Deposit Premium for the first Accounting Period. If it's different to the amount stated in the Quotation and paid by You then We'll make an adjustment.

2.9 We'll notify You within 30 days of receiving the information of any adjustment made.

2.12 Subsequent Deposit Premiums will be based on the final Premium agreed for the previous Accounting Period. We'll issue an invoice for subsequent Deposit Premiums 30 days before the Data Refresh Date and this will be payable by bank transfer within 14 days of Our request.

2.13 We'll use the information given to Us pursuant to Clause 2.5 to:

- a) confirm that You've paid the correct Premium for the Accounting Period which is about to expire, and

- b) the actual Deposit Premium payable in respect of the Accounting Period commencing on the Data Refresh Date. This will be based on the revised Premium Rates notified to You pursuant to Clause 3.9 where the Deposit Premium is payable in respect of an Accounting Period commencing on a Rate Review Date.

2.15 We'll add any additional Premium payable by You to the Deposit Premium payable in respect of the next Accounting Period.

2.16 We'll deduct any refund of Premium due to You from the Deposit Premium payable in respect of the next Accounting Period.

Policies where the Premium is paid by direct debit

2.17 We'll use the information given to Us pursuant to Clause 2.3 to calculate the Premium for the first Accounting Period.

2.18 We'll notify You within 30 days of receiving the information of the amount of Premium payable in respect of the first Accounting Period. This amount will be collected by Us by direct debit at regular intervals as detailed in the Policy Schedule.

2.19 The same amount of Premium will be payable for subsequent Accounting Periods until notice is given by Us pursuant to Clause 2.20 or Clause 3.2 or Clause 3.9.

2.20 We'll use the information given to Us pursuant to Clause 2.5 to:

- a) confirm that You've paid the correct Premium for each Accounting Period to date, and
- b) calculate the Premium payable for subsequent Accounting Periods.

2.21 Where the information You provide to Us shows that You've paid too much or too little Premium in respect of any Accounting Period We'll notify You of the relevant amount and, where additional Premium is owed by You, details of when We'll collect payment from You pursuant to Clause 2.20.

2.22 Any additional Premium required will be collected by Us by direct debit.

2.23 Where the information You provide to Us shows that You've paid too much Premium, We'll normally reduce the Premium We'll collect at the next payment date. However, if the Premium is payable annually We'll refund the overpayment.

2.24 We'll notify You within 30 days of receiving the data pursuant to Clause 2.5 of the amount of Premium payable in respect of subsequent Accounting Periods. This will be based on the revised Premium Rates notified to You pursuant to Clause 3.9 where the Premium is payable in respect of an Accounting Period commencing on a Rate Review Date. This amount will be collected by Us by direct debit.

2.25 The same amount of Premium will be payable in the same manner for each subsequent Accounting Period until notice is given by Us pursuant to Clause 2.24.

3 Variation to the Policy Terms and Conditions

3.1 We reserve the right to revise at Our discretion (prospectively or retrospectively) the Policy Terms and Conditions and the Premium Rates to the same extent that We've the right to revise any terms of any Associated Policy as specified in the Policy Schedule.

3.2 In the event that We wish to change any of the Policy Terms and Conditions or the Premium Rates pursuant to Clause 3.1 We'll give You one calendar month's notice of the change in writing. At the end of the one calendar month period We'll issue an amended version of the Policy Terms and Conditions and a new Policy Schedule. The notice period won't affect the effective date of the change.

3.3 Where there has been a delay in You providing the information We need to review the Policy Terms and Conditions or Premium Rates We'll backdate any change to the appropriate date.

3.4 In addition, the Policy Terms and Conditions and the Premium Rates may be varied by Us at any Rate Review Date.

Rate Review

3.5 At least 12 weeks before each Rate Review Date We'll ask You to provide Us with the information We reasonably require to assess whether any changes should be made to the Policy Terms and Conditions or the Premium Rates for this or any Associated Policy. The duty of fair presentation of risk applies to provision of the information to Us.

3.6 You must provide this information to Us within six weeks of Our request.

3.7 Where We haven't received the requested information, We'll base any changes We intend to make to the Policy Terms and Conditions or the Premium Rates on the Rate Review Date on the information available to Us.

3.8 If You provide information after the Rate Review has been completed and it means We make a change to the Policy Terms and Conditions or the Premium Rates, these changes will be effective from the Data Refresh Date immediately prior to when you gave us the information.

3.9 In the event that We wish to change any of the Policy Terms and Conditions or the Premium Rates pursuant to Clause 3.4 We'll give You one calendar month's notice of the change in writing. We'll issue an amended version of the Policy Terms and Conditions and a new Policy Schedule once the Rate Review is completed. This notice period won't affect the effective date of the change.

Section C

The Life Insurance

4 Cover from the Policy Start Date

4.1 Subject to Clause 4.4 the Member is covered under this Policy up to the Automatic Acceptance Limit on and from the Policy Start Date.

4.2 Subject to Clause 4.3, where cover's sought in excess of the Automatic Acceptance Limit, We shall be entitled in Our sole discretion to require an Individual Assessment of the Member to enable Us to consider whether to grant the requested excess cover. (For the avoidance of doubt, the Member will be covered up to the Automatic Acceptance Limit that applies to this and any Associated Policy, regardless of the decision made by Us following the Individual Assessment). While the Individual Assessment is being conducted the cover provided will be as set out in Clause 5.

4.3 If, immediately prior to the Policy Start Date, the Member was insured under a single relevant life or other insurance policy and the Member's cover was limited to below Our Automatic Acceptance Limit following assessment or for non-provision of medical evidence, the Member will have their cover under this Policy limited to match the terms of the cover under the previous policy. Benefit in excess of this limited level of cover will be subject to an Individual Assessment.

4.4 If, immediately prior to the Policy Start Date, the Member was insured under a single relevant life or other insurance policy with an identical benefit structure to this Policy, We'll accept the previously insured level of Benefit in respect of the Member, up to the Automatic Acceptance Limit subject to Clause 4.3. Any previously insured level of Benefit in excess of the Automatic Acceptance Limit will be accepted subject to:

- a) You providing satisfactory evidence of the level of cover and the details of any special terms and conditions to Us
- b) Our right to conduct an Individual Assessment pursuant to Clause 5 and to impose special terms where We consider it appropriate to do so, and
- c) a maximum Benefit of £5 million.

5 Individual Assessments and Temporary Cover

5.1 In circumstances where:

- a) You seek cover in excess of the Automatic Acceptance Limit in respect of the Member
- b) You seek cover in respect of the Member working beyond the Date Cover Ceases, or
- c) You ask Us to change the terms of the Policy and We've identified that the Member's increase is subject to Individual Assessment

the Member must undergo an Individual Assessment and We reserve the right to refuse to provide the cover sought.

5.2 You must give Us written notice immediately if You're seeking any cover of the type described in Clauses 5.1 a) to c). If You fail to notify Us of individuals who meet the criteria in Clause 5.1 these individuals may not be covered for any or all of their benefit.

5.3 The cost of any medical examination and any tests requested by Us will be paid for by Us. We won't be liable for any costs incurred by You or the Employee in attending a medical examination, undergoing any tests or in supplying any other information.

5.4 Where the Member is outside the United Kingdom, and provision of cover is subject to Individual Assessment, if after this further medical information is required to enable Us to complete Our assessment, the Member will be responsible for arranging and paying for the tests to be conducted. Examinations, tests or reports may only be arranged/conducted at a centre or provider with prior approval from Us otherwise We won't be liable for any costs and the Member may be required to undertake another set of tests with an approved centre or provider.

We'll reimburse the Member for the tests We've requested, to a maximum of the amount We would pay for the same test in the United Kingdom. Reimbursement will be in pounds sterling to a United Kingdom bank account and the exchange rate used for reimbursement will be Our banker's rate of exchange on the date of reimbursement.

All results and/or reports must be provided in English.

Benefit in respect of the Member that requires Individual Assessment

5.5 Where You seek cover that is subject to Individual Assessment in respect of the Member, then subject to Clauses 5.6 to 5.12, You'll have cover in respect of the Member until the completion of the Individual Assessment. Subject to Clause 4.3, Your cover will be the higher of the Automatic Acceptance Limit and their previously accepted level of Benefit. In addition, You'll receive Temporary Cover equivalent to the additional cover being sought subject to the following:

- a) the Temporary Cover won't provide cover for claims which arise directly or indirectly as a result of any medical condition which the Member
 - has received treatment for
 - has suffered symptoms of
 - has sought advice on, or
 - was diagnosed withwithin the last two years immediately prior to receipt by Us of the notice given pursuant to Clause 5.2
- b) an individual won't be given Temporary Cover if You've previously had a request for the Benefit You now seek in respect of the Member declined, restricted due to failure to provide medical evidence, postponed or accepted on non-standard terms, and
- c) no Temporary Cover will be available if the Employee is working beyond the Date Cover Ceases or if We've identified the Member as needing to be Individually Assessed before benefiting from any change to the cover under this Policy.

5.6 The Temporary Cover will commence from the date of receipt by Us of the notice given pursuant to Clause 5.2 and will be in place until the earlier of completion of the Individual Assessment and the expiry of 90 days. If We're unable to complete Our assessment before the Temporary Cover period expires, the individual's cover will be restricted to their previous accepted level of cover.

5.7 The amount of Temporary Cover is limited so that, when added to any existing Benefit the Member may receive, their total Benefit entitlement during the period that Temporary Cover operates won't exceed £5 million. If the Member's Benefit exceeds £5 million they are therefore not offered Temporary Cover in excess of £5 million.

5.8 If the Member's previous accepted level of Benefit was provided by another insurer, You must provide satisfactory evidence of the level of cover and any special terms and conditions to Us.

Employees working past the Date Cover Ceases

5.9 Where You seek cover in respect of an Employee who's working past the Date Cover Ceases You'll have no cover in respect of the Member in question until We've completed the Individual Assessment and confirmed cover.

5.10 Once the Individual Assessment is complete We'll notify You of Our decision. If We're providing cover for the Member We'll notify You of the date on which cover commences and any special terms which apply.

Members affected by changes to the terms of this Policy

5.11 Where We consider changing the terms of this Policy or any Associated Policy following a request by You and such changes affect the Benefit of the Member covered under this Policy, We'll need details of this Member if they're absent due to ill health and has been for either:

- in schemes covered by this and other Associated Policies with up to 50 members, for one week or longer
- in schemes covered by this and other Associated Policies with between 51 and 500 members, for four consecutive weeks or longer, or
- in schemes covered by this and other Associated Policies with 501 or more members, for 12 consecutive weeks or longer.

The Member may be required to complete an Individual Assessment before We're able to confirm the change to their Benefit. For the avoidance of doubt, no changes to Benefit will take place for an existing Member until We've confirmed the changes.

Members requiring subsequent Individual Assessments

5.12 We reserve the right to require the Member to complete a further Individual Assessment if:

- the Member's Benefit increases and as a result of that increase their total Benefit exceeds £5 million
- the Member's Benefit increases as a result of a change in benefit basis, or
- where cover's linked to the Member's salary the Member receives an increase in salary of more than 20% in a 12 month period.

6 The Automatic Acceptance Limit

6.1 The Automatic Acceptance Limit applying to this and any Associated Policy will be reviewed and may be changed by Us at any time. We reserve the right to reduce (including to nil) the Automatic Acceptance Limit to the same extent that We've the right to revise the Automatic Acceptance Limit of any Associated Policy as specified in the Policy Schedule.

6.2 We'll notify You in writing if We make any changes to the Automatic Acceptance Limit and will provide You with an updated Policy Schedule.

6.3 If We determine that the Automatic Acceptance Limit shall be reduced the level of Benefit which applied to the Member before the reduction becomes effective shall continue to apply.

6.4 If We determine that the Automatic Acceptance Limit shall be increased this will, subject to Clause 6.5, make no difference to the cover of the Member insured hereunder unless and until their Benefit increases in which case the new Automatic Acceptance Limit will apply.

6.5 If We determine that the Automatic Acceptance Limit shall be increased the increased level won't apply to the Member if their cover was restricted due to failure to provide medical evidence, declined, postponed or accepted on non-standard terms. Their cover shall remain unchanged.

6.6 When assessing whether the amount of Benefit exceeds the Automatic Acceptance Limit, Benefit will be the total Benefit in respect of the Member under this Policy and any Associated Policies, or, in the case of a Single Group Life Policy, all Policies comprising a Single Group Policy.

7 Temporary absence from work

7.1 Where the Member is absent from work due to ill health their cover continues until the date on which cover would otherwise cease pursuant to Clause 12.

7.2 Where the Member is absent from work as a result of statutory leave, cover will remain in place whilst they're still considered an Employee unless cover ceases pursuant to Clause 12.

7.3 Where a Member is engaged through a Zero Hours Contract, cover during periods of ill health will cease on the earlier of:

- (a) the end of their contract in force when the Member was first absent
- (b) when that contract is terminated, or
- (c) three years from the start of ill health unless cover ceases pursuant to Clause 12.

7.4 Where the Member is absent from work due to any other reason which is agreed with the Member's Employer cover will remain in place until the earlier of three years from the first date of absence and the date on which cover would otherwise cease pursuant to Clause 12.

7.5 If We agree to cover the Member beyond the Date Cover Ceases their cover during periods of temporary absence can be until age 75 if absence is due to ill health and for up to 12 months for any other reason unless cover ceases pursuant to Clause 12.

7.6 If the Member is on a fixed term contract, cover during periods of temporary absence won't continue beyond the end of the contract in force at the date the Member was first absent.

7.7 Whilst the Member is absent, Benefit will be based on the Member's Benefit immediately prior to the start of the absence. However, where the basis of cover is a multiple of salary, cover can increase in line with the average company pay award up to a maximum of 5% per annum (the 5% maximum will be waived where the Member's entitlement to a larger increase is enshrined in law).

8 Members working outside the United Kingdom

8.1 If the Member's working outside the United Kingdom temporarily or on a secondment cover under this Policy will continue provided:

- a) they remain a Member of the Scheme
- b) they have a United Kingdom contract of employment or for services with a Participating Employer
- c) there's the intention to return to the United Kingdom, and
- d) the country of secondment is declared at the Policy Start Date and at each Data Refresh Date.

8.3 Where the Member is working outside the United Kingdom the amount of salary or Benefit advised at each Data Refresh Date must be expressed in pounds sterling. The exchange rate will be based on the Bank of England exchange rate and will be fixed at each Data Refresh date. Therefore in the event of a claim for the Member and they weren't paid in pounds sterling, Benefit will be calculated based on the exchange rate agreed at the most recent Data Refresh Date before the date of death.

8.3 We won't provide cover if the Member's permanently working outside the United Kingdom.

Section D

Benefit

9 Benefit

- 9.1** In the event of the death of the Member, We'll pay the Benefit.
- 9.2** The Benefit will be paid as directed by the trustees of the Scheme.
- 9.3** The Benefit is payable in pounds sterling.
- 9.4** In distributing the Benefit under the Scheme Rules You shall comply at all times with the rules laid by HMRC in respect of such life insurance policies.
- 9.5** Without limitation to the terms of Clause 9.4 You must ensure that the beneficial recipients of any Benefit paid under this Policy are individuals or charities.

10 Increases to Benefit

- 10.1** Where cover's linked to the Member's salary, any increase made to the level of cover provided, as a result of an increase in the Member's salary will only take effect if the Member's Actively At Work on the date the increase is made. If they aren't Actively At Work on that date the Member's Benefit will increase as set out in Clause 7.7 until they return to being Actively At Work.

Section E

Making a claim

11 Making a claim

11.1 You must notify Us as soon as possible following the death of the Member. A claim form can be downloaded from our website. Alternatively you can telephone Our claims team on 0330 303 9973 or email groupclaims@aiglife.co.uk. The claim form must be completed and returned to Us.

- d) You don't pay the Premium when it's due

- f) there's a change in legislation, regulation, HMRC practise or taxation which affects this Policy, or
- g) any other life policy provided by Us covering the lives of Employees or other individuals engaged in the Employers' business (in any capacity) is terminated for any reason.

12.4 Cover under this Policy will cease automatically on the earliest of the following occurrences:

- b) the Member ceases to be a Member of the Scheme

- f) in respect of a Member after the Date Cover Ceases, the Member has been absent from work (with the approval of their Employer) for 12 months for a reason other than ill health or statutory leave (or the end of the contract in force on the date first absent if the Member's on a fixed term contract), or

12.5 In any event no cover is provided under this Policy if the Member is aged 75 or over.

12.6 You shall be required to provide information as at the date of termination in order for Us to determine the Premium payable up to the date of termination. If this information isn't provided within one month of its being requested, We shall determine what Premium is payable having regard to the information then available, and any sum or sums which had been payable to Us shall remain payable.

12.7 If the Policy is terminated, no Benefit shall be payable in respect of the death of the Member after the effective date of termination of this Policy.

Setting up the Policy

12.8 If You deliberately or recklessly don't make a fair presentation of the risk when setting up the Policy and We wouldn't have agreed to enter into the Policy at all if We'd known the material facts, We may avoid the Policy, refuse all claims and recover claims paid.

12.9 If You don't make a fair presentation of the risk when setting up the Policy but You haven't been deliberate or reckless, and We wouldn't have agreed to enter into the Policy if We'd known the material facts, We may avoid the Policy, refuse all claims and recover claims paid.

Rate Reviews

12.10 The duty of fair presentation of risk applies at each Rate Review. If You deliberately or recklessly don't make a fair presentation of the risk at a Rate Review and We wouldn't have agreed to the contract at all or on those terms if We'd known the material facts, We may terminate the contract with effect from the Rate Review Date, refuse claims and recover claims paid.

12.11 If You don't make a fair presentation of the risk at a Rate Review, but You haven't been deliberate or reckless, and We wouldn't have entered into the contract at all if We'd known the material facts, We may terminate the contract with effect from the Rate Review Date, refuse claims and recover claims paid.

Variations

12.12 If You deliberately or recklessly don't make a fair presentation of the risk when applying to vary the Policy and We wouldn't have agreed to enter into the variation of the Policy if We'd known the material facts, We may by notice to You treat the contract as terminated with effect from the time the variation was made, refuse claims and recover claims paid.

12.13 If You don't make a fair presentation of the risk when applying to vary the Policy, but You haven't been deliberate or reckless, and We wouldn't have agreed to enter into the variation of the Policy if We'd known the material facts, We may treat the contract as if the variation hadn't been made.

Fraudulent claims

12.14 If You make a fraudulent claim, We may:

- a) terminate the Policy by notice and treat the contract as being terminated from the time of the fraudulent act
- b) recover any claims paid since the fraudulent act, and
- c) refuse to pay any claims submitted since the fraudulent act.

Section G

Miscellaneous

13 Exclusions and limits

13.1 No Benefit will be payable in respect of the deceased Member where the cause of death was one of the excluded causes listed in the Policy Schedule.

13.2 For the purposes of this Clause, where We issue separate Policies to a number of entities that form all or part of the same group for the purposes of corporation tax or a number of trusts comprising a Scheme, such policies will be treated as a Single Group Policy for the purposes of determining the limit of Our liability. Our maximum overall liability in any postal area (which may be lower than Our maximum overall liability) provided by Us to You covering the lives of Members engaged in the Employer's business (in any capacity) shall be that shown in the Policy Schedule. Our liability to pay Benefit in respect of the death of all Members across a Single Group Policy engaged in the Employers' business (in any capacity) whose deaths were caused by an Event shall be limited to the amount specified in the Policy Schedule. For the avoidance of doubt, Our maximum liability will be limited to the lowest event limit operating in any Policy Schedule relating to a Single Group Policy. Where no specified postal or location limit is stated, a limit of £5 million applies.

Our liability to pay Benefit in respect of the death of two or more Members across a Single Group Policy engaged in the Employer's business (in any capacity) whose deaths occur as a result of the same or related causes while such Members are travelling together on business shall be limited to £40 million. This applies both while they're travelling and for a maximum of seven days at the location where they're engaged in the Employer's business. If a lower event limit applies in the location where they're temporarily on business, claims involving these

Members will be subject to the travel limit of £40 million, not the location limit. If a higher event limit applies to the location where they're temporarily on business then the higher limit shall apply. For the avoidance of doubt, We won't add two event limits together. Where Members have been at a location for more than seven days, the event limit for that location will apply.

13.3 Any limits applied as a result of Our conducting an Individual Assessment will be notified to You separately in writing. In addition, Benefit won't be paid if a Member failed to disclose any material information during the course of the Individual Assessment.

14 Contracting out of the Insurance Act 2015

14.1 You must provide a fair presentation of the risk when setting up the Policy, on an application to vary the Policy and at a Rate Review.

14.2 If We would've applied different terms and/or a higher Premium if You'd fairly presented the risk set out in Clause 14.1, then You agree that We can retrospectively charge the correct higher Premium (and apply any different terms to the Policy). You agree to promptly pay the corrected additional Premium.

14.3 Upon receipt of the corrected additional Premium set out in Clause 14.2, We'll pay the claim in full, rather than on the proportionate reduction basis described in Schedule 1 paragraphs 6 and 11 of the Insurance Act 2015. To that extent, Clause 14 contracts out of Schedule 1 paragraphs 6 and 11 of the Insurance Act 2015.

14.4 Other remedies in respect of the duty of fair presentation of the risk are set out at Clauses 12.8 – 12.14 inclusive of this Policy.

15 Remedies for fraudulent claims

15.1 To the extent that this Policy provides cover in respect of a person who isn't a party to the Policy and a fraudulent claim is made under the Policy by or in respect of that Member, We may exercise the rights set out in Clause 15.2 as if there were an individual insurance contract between Us and the Member concerned.

15.2 If there's a fraudulent claim by or in respect of a Member under this Policy, We'll inform the Policyholder and the personal representative of the deceased Member that We cancelled the cover in respect of the Member with effect from the time of the fraudulent act and that We'll seek to recover any sums paid by Us in respect of the claim.

15.3 If We exercise Our right to terminate under Clause 15.2, We won't be liable in respect of the death of the Member if it occurred after the time of the fraudulent act.

16 Governing law and jurisdiction

16.1 This Policy is construed and governed in accordance with English and Welsh law and any dispute shall be subject to the exclusive jurisdiction of English and Welsh courts.

16.2 This Policy has no surrender value and can't be assigned without Our prior written permission.

16.3 We won't be responsible or liable to provide cover (including the payment of a claim) under this Policy if We're prevented from doing so by any economic sanction which prohibits Us or Our Parent Company (or Our Parent Company's ultimate controlling entity) from providing cover or dealing with You under the Policy.

17 Contracts (Rights of Third Parties) Act 1999

17.1 No term or provision of this Policy may be enforced in any circumstances by any third party, whether under the Contracts (Rights of Third Parties) Act 1999, which is hereby excluded, or otherwise. The Policy may be amended or terminated without the consent of, or reference to any third party.

18 Data protection

18.1 Unless the context otherwise requires, for the purpose of this Clause: (i) Data Protection Law means all applicable laws and regulations, in each case pertaining to the security, confidentiality, protection or privacy of personal data, as amended or re-enacted from time to time, including (without limitation and to the extent applicable) the Data Protection Act 2018 (and regulations made thereunder) (DPA 2018) and the UK GDPR (which has the meaning given to it in section 3(10) (as supplemented by section 205(4)) of the DPA 2018); and (ii) the terms controller, processor, processing/process, personal data and data subject shall be interpreted and construed by reference to Data Protection Law. For the purposes of this Clause, Parties mean You and Us.

18.2 Without prejudice to Clause 18.3, each party (the Disclosing Party) agrees that if it provides personal data to the other Party (the Receiving Party), it shall ensure that it has provided all necessary information to the data subjects of the personal data, in each case to enable the personal data to

be disclosed to the Receiving Party for the purposes of this agreement and in accordance with Data Protection Law.

18.3 Each Party shall: (a) comply with its obligations under Data Protection Law; (b) be responsible for dealing with and responding to data subject requests, enquiries or complaints (including any request by a data subject to exercise their rights under Data Protection Law) it receives, unless otherwise agreed between Us; and (c) promptly (and without undue delay) notify the other party in writing of any security incident affecting the personal data it processes pursuant to or in connection with these Policy Terms and Conditions, including the unlawful or unauthorised processing of the personal data, to the extent the security incident is likely to affect the other party.

18.4 The Parties agree that, for the purposes of Data Protection Law, each Party (to the extent it processes personal data pursuant to or in connection with these Policy Terms and Conditions) processes personal data as an independent data controller in its own right. Nothing in these Policy Terms and Conditions (or the arrangements contemplated by it) is intended to construe either Party as the data processor of the other Parties or as joint data controllers with one another.

18.5 In relation to the personal data it receives from the Disclosing Party, each Party shall at all times process the personal data in a manner that ensures appropriate security of the personal data, including protection against unauthorised or unlawful processing and against accidental loss, destruction or damage, using appropriate technical and organisational measures, and the measures shall, at a minimum, comply with the requirements of Data Protection Law.

18.6 We process personal data for the purposes of providing insured Benefit for the benefit of Your Members and their families in accordance with the Data Protection Act 2018. The information supplied by You may be transferred outside the United Kingdom (including the USA, China, Mexico, Malaysia, Philippines and Bermuda). Full details can be found in Our privacy policy www.aiglife.co.uk/privacy-policy.

18.7 Where We undertake an Individual Assessment, We'll be responsible for obtaining appropriate consents from the individual in respect of data collected during the course of the Individual Assessment.
